Re: Abingdon Town Amateur Boxing Club Fund Raising

Dear Supporters,

I am writing to update you about the Abingdon Town Amateur Boxing Club gym fund to which you kindly donated money.

Our target was over £200K, and the aim was to build a training hall for boxing club and community use at Caldecott Recreation Ground, for which we had planning permission.

So far we have managed to raise over £23K. That money is held in a charitable trust with the aim of providing sports facilities to help the boxing club and the community generally.

The club currently trains young people at Dalton Barracks gym and is building up membership after a difficult couple of years.

As the club grows again, we will be looking to use that money for projects that improve sports facilities benefiting the club and the wider community, and will keep you informed through our website abingdonboxing.co.uk. If you have any questions we would be very happy to discuss them.

Yours Sincerely

Alastair Fear, Lesley Legge, Neil Boston
